Stage Plot

Micing and Backline gear

Smokin' Section backline gear is as follows:

Bass - Gallien/Krueger amp and cabinet. Direct out using a Radial DI.

Drums - 7-piece kit: Single kick drum, 3 racks, 1 floor, and snare.

Guitar - Combo Amp. Guitarist carries a Sennheiser E-609 or single house microphone (such as an SM-57). Guitar also uses Shure wireless system from guitar to pedal board.

Keyboards – Direct out to stereo DI

Sax - Shure wireless mic system.

Trumpet - Shure SM-58 or similar mic.

Vocals – Shure SM-58 or similar mic for the drummer, bassist, guitarist, and sax player.

Monitors

Smokin' Section requires at least a 4-way monitor mix:

1. Drummer
2. Sax
3. Trumpet/Keyboard
4. A combined mix for the guitar and bass player
- OR -
5. If a 5-way mix is available, then separate mixes for guitar and bass
